**Eliminating revenue leakage and
increasing cash flow is easier than you think.**

Choose our contract billing services, giving you access to a team of experts — a virtual extension of your central billing office.

RCM

SERVICES OUTSOURCING

Talent, Technology and Financial Solutions

Practice Pro's integrated RCM & Billing and Contract Billing Services offer you the solutions required to achieve better care, profitability and growth.

Access to a dedicated billing manager and a team of specialists

Billing experts lead the scrubbing, billing and collection process to ensure that every claim is scrutinized, accurate and compliant

Full transparency about daily activity and the ability to monitor your financial metrics in real time

Payment posting and allocations are completed in a timely manner to avoid lagging financials and ensure accuracy in your account receivables

Our billing team identifies potential opportunities for improvement in front desk processes that are essential to back-office success

Powerful denial and appeal management tools equip our billers to fight for the money you are owed
